

Stillington Primary School

Weekly bulletin **Friday 26th June 2026**

Good morning everyone,

There has been a wonderful buzz of excitement around school this week!

Our Y2-6 pupils have been working incredibly hard as they continue to rehearse for their end-of-year play. From learning lines and practising songs to perfecting their performances, the children have shown great dedication, teamwork and enthusiasm. We are looking forward to seeing all of their hard work come together!

Meanwhile, our EYFS and Year 1 children enjoyed a fantastic Beach Day. Making the most of the warm weather, they took part in a range of seaside-themed activities, including water play, sand play and outdoor games. There were lots of smiles, laughter and opportunities for creative exploration as the children embraced the holiday spirit and enjoyed learning through play.

Well done to all of our pupils for another successful and enjoyable week of learning!

Have a lovely weekend!

Thanks,
Miss Tordoff

Wow Class work

EYFS and Year 1 & 2 – Miss Allwood

Class 1 have really embraced the warm weather this week! We have enjoyed lots of fun water play to help us stay cool while making the most of the sunshine. The children have worked incredibly hard to keep themselves and each other safe in the heat by remembering to drink plenty of water, wear their sun hats and look after one another. We have been a fantastic team, and it has been lovely to see everyone having so much fun together.

Y3,4,5,6 – Miss Jackson

This week KS2 enjoyed being outdoors to create freeze frames as part of their RE learning. They explored right and wrong choices and how sometimes, people in situations may not always realise who is in the wrong as it is not always clear. Pupils gave insightful ideas on how we can mitigate conflict and make good choices. Great work KS2!
