

The Primary PE and sport premium

Planning, reporting and
evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2026.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2024/2025)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
PE coordinator to continue and monitor PE with clear long term plan and differentiation to ensure progression through the year groups. Pupils developed their teamwork skills and sportsmanship whilst improving their sporting abilities and enjoyment of different sports.
Sports coach for extra curricular afterschool clubs	Children have extra curricular activities Increase the number of children taking part in	Additional sports clubs were offered at Stillington however there was a very low turn out of pupils. This did not increase our uptake of pupils attending.

	sporting activities as enhancers	
SLT time to plot the Sports premium funding and conduct paper work	Sports funding will be allocated with the interest and opportunities of the pupils considered to raise sport engagement across the school.	Sports funding has been successful allocated considering the interest of pupils. The sporting profile within school has been raised and engagement in sporting activities in the school day has increased.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	100%	<i>Pupils attended weekly swimming sessions in the summer 2 term with two teachers in attendance to support where required.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	100%	<i>Pupils attended weekly swimming sessions in the summer 2 term with two teachers in attendance to support where required.</i>

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	100%	<i>Pupils attended weekly swimming sessions in the summer 2 term with two teachers in attendance to support where required.</i>
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No	Teachers support qualified coaches to deliver swimming weekly.
