Message from the Head of School

I am pleased to share that we have received the final plans for our new early years outdoor area at Stillington. The work will be taking place over the summer holidays, so the children will return to a new and improved early years area with a canopy, digging pit, storage and mud kitchen. A huge thank you to The Friends of Stillington School, who have been very busy fundraising throughout the year, and have put money towards this new space. We are all very excited about this!

Vacancies

We are currently recruiting for various roles across the federation, including teaching assistants, afterschool club leaders and a cleaner. If you are interested in one of these posts, please see the North Yorkshire website as they will be released shortly.

KS2 Swimming Gala at Norton Pool- July 9th.

Some children from KS2 have kindly been invited to take part in a swimming gala at Norton pool on the evening of 9th July. Selected children have received a letter from their class teacher with further information. If you have received a letter, please can you let your class teacher know whether your child will attend the gala so we can let the organisers know numbers. This event is organised by Norton pool, not school, therefore you will need to take your child to the event.

Mrs Rutherford.

Stillington Sports & Social Club.

We are planning to have an Open Afternoon at the Stillington Squash Club, primarily targeted at Juniors and people who have never played squash/racketball before. Attached in the email are all the details. There are also activities going on at the Sports Club.

EYFS/KS1—CLASS 1

This week in class two we have enjoyed having the sunshine back again.

The children absolutely loved the Sealife centre on Friday so we have enjoyed working this into our lessons this week. We have been looking at the oceans in KS1 and trying to name the different ones that we can spot on a globe and EYFS have enjoyed looking at beaches and sandcastles. We thoroughly enjoyed our sandcastle building competition this week.

KS2 - CLASS 2

This week in class 2 we have had lots of visitors! Joey Thompson a local motorbike racer came to school and taught us all about his bikes and how he applies himself to his sport it was amazing!

On Thursday, we were then visited by local history expert Chris Cade, who delivered an in-role experience of WW1 soldier Arthur Walker. We learnt all about Arthurs life in the army and his experience which links brilliantly with our current history topic of WW1.
