

# STILLINGTON PRIMARY SCHOOL BULLETIN

Good morning everyone,

We are nearing the end of the spring term and our pupils have worked incredibly hard this week with their learning.

All of our pupils enjoyed their drama visit from Audrie this week where they built upon their knowledge and skills of speaking in front of others, performing and retelling stories. It has been lovely to see how our pupils' confidence flourish within these sessions and we are very much looking forward to our next session in the summer term!

# Wow Work

**Miss Katie Allwood**

**Wow Work - KS1 = EYFS / YEAR 1 & 2**

We have had a very fun week in class 1. We loved having Audrie at school to do some drama with us. We explored nursery rhymes and had lots of fun with a few different games. We also have enjoyed another forest school session where we looked at human and physical features of Stillington and our EYFS children enjoyed building the houses in their village. We also finished our maths topic of measuring mass by making our own biscuits which was mostly successful and definitely very tasty!

**Wow Work KS2 / YEAR 3 TO 6**

We're already almost at the end of another busy term! The weather finally seems to be improving, and the children have had a fantastic week with visits from conservation specialists with the National Trust, and from Audrie, our drama teacher. They even managed to get a trip into Malton last week to join in a netball tournament - the children played brilliantly and showed exceptionally good team-work! We're so proud of them.

On Friday, we have our sports enhancement day with the rest of the Federation, and after that we can enjoy the weekend before our final week.
