

STILLINGTON PRIMARY SCHOOL BULLETIN

Good morning everyone,

As we come to the end of a busy half term, we take a moment to celebrate just how brilliantly the children have been doing in their learning. Across all year groups, we've seen fantastic progress, growing confidence, and a real enthusiasm for learning that has made us all incredibly proud. Amazing work to all of our pupils, well done Stillington!

KS1 SATs

We are incredibly proud of our Year 2 pupils who have shown fantastic effort and resilience in their recent SATs. The children approached the assessments with confidence, enthusiasm and a positive attitude, demonstrating all the hard work they have put into their learning this year. Amazing work Year 2!

Staffing updates

We are sad to share that Miss Radford will be leaving Stillington School on the 6th June to pursue a career change. While we are very sad to see her go, we are incredibly grateful for the contribution she has made to our school community during her time with us.

We are now in the process of recruiting a new administrator. We know many of you will join us in wishing her every happiness and success in the next chapter of her journey.

House Winners

Well done to Atinuke for winning this half terms house points. All children in this house are invited to come in non-school uniform on the first Friday back after the holidays.

We would like to wish you all a restful, fun-filled and safe half term break. We look forward to welcoming the children back, refreshed and ready for our final half term of this academic year.

Thanks,
Miss India Tordoff—Head of School

Collecting late at the end of the school day

We have noticed over the last half term there has been an increase in some pupils being collected late at the end of the school day. We understand that things can occasionally happen and can't be helped, but we do want parents to be aware that teaching staff have other commitments after school and are unable to keep children any longer than 5 minutes after the end of the school day. If a parent has not arrived 5 minutes after the end of the school day, the child/ren will be taken to afterschool club (please note normal fees will apply) and the following procedures will take place:

1. Contact all emergency contacts on pupils record to establish pick up details/e.t.a - please ensure all contact details are up to date. Pupils will be put into club supervision after 5 minutes have past since the end of the school day.
2. If contact cannot be made with the parent/carer or the emergency contact/s by 30 minutes after the arranged pick-up time school will contact the Customer Service Centre (Children's Social Care). In an emergency, school will contact the police.

Please note:

- If you are unexpectedly delayed and are unable to collect or will be late collecting your child from school, please contact the school immediately.
- If you arrange for another adult to collect your child, you must let the school know the details of that person as we will not allow pupils to be taken by an adult that has not been previously arranged.

Attendance

Our whole School Attendance is: 90.7%

As a school we aim for 95% attendance from all our pupils. We realise this is not always possible when your child is poorly. We are sure you will agree we all want our children to succeed and good attendance is proven to give children the maximum learning time possible.

Miss Katie Allwood

Wow Work - KS1 = EYFS / YEAR 1 & 2

EYFS Children.

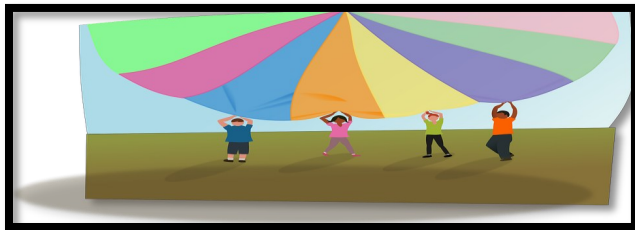

Our EYFS children had a *fantastic* time on their recent trip to the farm! They met friendly animals, cuddled some rabbits and even had the chance to feed some very hungry goats. The children loved learning about where the animals live and exploring the great outdoors.

It was so much fun.

Year 1 and Year 2 Children.

Meanwhile, our Year 1 and 2 classes have been making the most of the sunny weather with lots of outdoor sports. From parachute games to football skills, everyone has been full of energy, showing great teamwork and trying their best.

Mrs Catherine Hunter

Wow Work KS2 / YEAR 3 TO 6

We've had a busy week in KS2- the children thoroughly enjoyed their trip to Jorvik Viking Centre and Dig, and we had a great Fantastic Friday! We're all more than ready for a break before the final stretch to the summer holidays.

Bikeability

If you would like your child to take part in Bikeability on the first Monday and Tuesday back after half term, then please sign them up as soon as possible. If we do not have enough children, then the course won't go ahead.

For more information, click the link or scan the QR code to give consent and book your child's place.

Keeping your children safe online - Google Family Link

Google Family Link is a free service for managing parental controls across devices. It allows parents to manage app access, screen time, and device bedtime, helping children build good online safety habits. The service is free to use and doesn't require a subscription or paid membership.

1. Setting up Supervision:

Parents create a Google Account for their child under 13 (or the age of consent in their country). They link the child's device to the parent's account using the Family Link app. Alternatively, parents can add supervision to a child's existing Google Account.

2. Managing Digital Ground Rules:

Screen Time:

Set daily screen time limits, device bedtimes, and app-specific time limits.

App Permissions:

Approve or block apps, manage app permissions, and choose between different YouTube experiences (supervised or YouTube Kids).

Content Filtering:

Filter content on Google services like Search, Chrome, and YouTube.

Location Sharing:

View your child's location on a map (requires enabling location sharing on the child's device).

3. Monitoring and Communication:

Notifications:

Get notifications about app installations, website requests, location changes, and other activities.

Insights:

View activity insights, such as screen time, app use, and content recommendations.

Device Management:

Lock or unlock the child's device, and manage the child's account (password reset, editing information, etc.).

4. Features for Teenagers:

Teenagers over 13 (or the applicable age of consent) can choose to manage their own Google Account or continue under parental supervision.

Supervision can be removed by parents at any time.

Teenagers can choose to opt out of supervision, but their device will be temporarily locked.

STILLINGTON PRIMARY DIARY DATES

<u>EVENTS</u>	<u>DATE</u>	<u>DETAILS</u>
Summer Half—Term	Friday 23rd May 2025 (Last Day) Monday 2nd June 2025 (First Day Back)
