

# STILLINGTON PRIMARY SCHOOL BULLETIN

Dear Parents and Carers,

We hope you all had a restful and enjoyable half term break! It's been wonderful to see the children return to school full of energy and ready for learning. We have a busy and exciting half term ahead!

## Well Done Year 4!

A huge **congratulations** to our Year 4 pupils who have now completed their statutory Multiplication Tables Check. We are incredibly proud of the effort, determination and positive attitude they have shown throughout. Well done, Year 4!

## Phonics Screening Check

Next week, the statutory Phonics Screening Check will take place for all Year 1 pupils, as well as for any children who have not yet completed their phonics learning. If you have any further questions, please speak to your child's class teacher.

## Charity Day - Go bright for Mind

We will be taking part in 'Go bright for Mind' for our charity day on Monday 16th June. The focus of the day will be around mental health and wellbeing. Pupils are invited to come to school dressed in brightly coloured clothes in support of this event. A voluntary donation for the event would be greatly appreciated. If you would like to find out further information about Mind or how to donate, please follow the link here: [www.mind.org.uk](http://www.mind.org.uk)

We hope you have a lovely weekend

Thanks,

Miss India Tordoff

Head of School

Stillington Community Primary School

Terrington Church of England VA Primary School

## Sharing Images Online

School is often a time chock-full of milestones for your child/ren and you may well be eager to share accomplishments with the world. In today's digital age, sharing images of such precious moments on social media is commonplace and -while that's a lovely thing to do -it does come with some risks attached. The guide attached can help you to consider the potential dangers and make informed choices about safely sharing photos of children online. With children who have access online themselves it is important to have conversations with them about these dangers.

Miss Katie Allwood

Wow Work - KS1 = EYFS / YEAR 1 & 2

### EYFS Children.

Our EYFS learners have been discovering the joys of *summer*. They've been busy spotting signs of the season and even went on a fun hunt for some elusive summer weather – fingers crossed it shows up soon!

### Year 1 and Year 2 Children.

This week, our KS1 children have been working really hard learning all about *time*! They've explored o'clock and half past, and impressed us with their enthusiasm and growing confidence.

### PSHE Information.

This half term in PSHE we are looking at growing and changing.

In year 1 and 2 we will be looking at how our emotions, friendships, roles and responsibilities may change as we grow older. We will be talking about moving into the next year group and how this makes us feel. We also teach the names of external body parts using the NSPCC resources.

<https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/pants-underwear-rule/>

In year 3 and 4 we will be looking at growing up in more depth. Year 3 will talk about what to do when things become challenging, keeping ourselves clean and basic hygiene routines and start to talk about how our body and emotions are beginning to change. Year 4 then cover this in more depth and discuss what puberty is, about wet dreams and the menstrual cycle and how our bodies are changing. This is covered by a trusted adult and only to year 4s.

In year 5 and 6 we will be talking in more depth about these topics. They will discuss healthy friendships and relationships, their feelings around moving to secondary school (or beginning year 6) and will also learn basic information about how babies are made. These sessions will be delivered to year 5/6 only by the class teacher.

Any questions, please do not hesitate to get in touch.

Mrs Catherine Hunter

Wow Work KS2 / YEAR 3 TO 6

We're already on the final stretch to the summer holidays! It's amazing to think that soon our fabulous Y6 children will be leaving us to start the next part of their adventures. Having said that, there is still lots that we'll be getting up to between now and then. We've got trips planned, sports day and our end of year production to get ready to name just three things. It's all very exciting, although just the thought of it all is somewhat exhausting.

### Sports Day

On Tuesday 24<sup>th</sup> June, **ALL children from Nursery to Year 6 will be taking part in our sports day.**

This will take place at Stillington Sports Hall. Children from Terrington and Foston will be taken across by bus, which will leave school immediately after registration. **Parents and families are invited to join us from 12.30pm and may take their children home with them when sports day has finished roughly around 1.45pm.** Buses will still be provided for those children who need them and will return to school before the end of the school day. Afterschool clubs will take place as usual. Please can you let your school office know if you are taking your children home after sports day.

All children should come to school in their PE kit, which is a white t-shirt, black shorts or jogging bottoms and trainers. Children should also wear their school jumper/cardigan and bring their own, clearly named water bottle. Please can we also ask that pupils bring a sun hat and sun cream is applied before school (a labelled bottle can also be brought with them).

There will be **NO hot school dinners** on this day for everyone, so packed lunches of sandwiches will be provided. **If you would like to order a school packed lunch for your child, please let the school office know by Monday 9<sup>th</sup> June**, so that we can order supplies in good time. Sandwich filling choices are ham, cheese or tuna mayo. If you do not want a school packed lunch, then please provide one for your child, as there will be no other option on this day.

**If you plan to attend sports day, please bring your own chair.**

**Nursery children** who do not attend nursery on Tuesdays are also invited to join us. If your child would like to come for the day or the afternoon, please let the class teacher know.

If anyone has any questions, please direct them to the school office to be passed on to Miss Cooke.
