

STILLINGTON PRIMARY SCHOOL BULLETIN

Good morning everyone,

We are nearing the end of term and we have been very busy with our learning!

Y6 pupils attended their crucial crew visit this week and learnt all about staying safe in different situations. They developed their knowledge and understanding of the wider world and how to mitigate risks. Brilliant work Y6!

All of our pupils loved their visit from Audrie our drama teacher this week where they continued to develop their confidence in performing, using their bodies to retell a story using emotions. Amazing work everyone!

As we look ahead to our final week of the academic term, please see the upcoming events below:

- **Wednesday 16th KS1 Malton sports event - Please ensure you give consent via parent pay**
- **Thursday 17th Y6 Leavers trip - Please ensure you give consent via parent pay**
- **Thursday 17th 2:30pm Leavers service**
- **Friday 18th July - Sports day races at 3pm and End of year BBQ run by FOSS at Stillington sports club 5pm**

Parent Governor Election Result: New Federation Governing Body

We are pleased to announce that following the recent parent governor election for our new Federation Governing Body, Hailey Barr, a parent at Langton and previous governor on the Langton Board, has been successfully elected unopposed.

We look forward to welcoming Hailey to the new governing body, where her experience will continue to support all of our schools during this period of exciting development and collaboration.

We have a further parent governor vacancy that will be filled in due course as we received no nominations.

Kind regards

Sarah Moore

SUN SAFETY

We know children love spending time outdoors, whether in the garden, park or beach, however, their skin is more delicate than an adult's and can easily be damaged by the sun, even when it doesn't seem strong.

- Use a sunscreen with a minimum SPF 50 and at least 4 stars for UVA protection.
- Wear sunglasses, ideally with wrap around lenses or wide arms, which carry CE and British Standard marks.
- Reapply every two hours or immediately after swimming or sweating.
- No sunscreen offers 100% protection so cover up with loose close weave clothing (such as cotton) and a wide brimmed hat to protect the neck, ears and face.
- Seek shade between 11am - 3pm when the sun is at its strongest. Always keep babies and toddlers in the shade if you can.
- Generously apply sunscreen (5 teaspoons to cover the whole body) 15 to 20 minutes before going out.

By following these simple tips your child will be able to stay safe and enjoy the sun. Remember parents, set your child a good example by also following this advice, and the whole family can have a happy sun safe summer.

FOSS—LEAVERS BBQ—FRIDAY 18TH JULY FROM 5PM

Raffle prizes and donations would be greatly received. If you could pass these on the Liz Cole or Marisa Bird.

Royal Mail have asked if we can share this Poster with school and our Parents.

A couple of years ago we shared with you what the children were talking about in their PSHE lessons, and we thought we would share this with you again. Love is one of our school values and as part of our PSHE lessons the children are learning about how to be kind to one another. They always blow us away with their openness and how kind they are to one another. It costs nothing to be kind. A smile, a thank you, a word of appreciation can spark happiness that even money can't buy, and it does not only work wonders for the receiver but the giver as well. We talk to the children about how kind words can make a huge difference to someone and how unkind words can have such a negative impact on a person and can stay with them a long time. The children inspired us 2 years ago and have inspired us again, so we are going to take their inspiration and share their kindness with you all in the form of posters that we can display around our school, here are a couple along with one of our KS2 children's own words on kindness (from 2 years ago). So, if you're stood in a queue in the supermarket or even in the playground, just remember a simple smile or hello can work wonders, we never know what someone is going through. Between us we can help our children to show kindness and treat others how we would want to be treated.

It only takes a split second to smile and forget,
yet to someone that needed it,
it can last a lifetime
