

## Stillington Primary School

### Weekly bulletin Friday 9<sup>th</sup> January 2026

Good morning everyone,

I hope you have all had wonderful Christmas and new year holidays!

We delved straight back into our learning this week and had so much fun exploring our new topics in EYFS, KS1 and KS2!

#### **Reminder for Nursery Parents**

The deadline to apply for a Reception place for September 26, is the 15th January. Applications are required to be submitted via the North Yorkshire Council website.

Please follow the link below for support and how to apply for a Reception 2026 place:

<https://www.northyorks.gov.uk/education-and-learning/school-admissions/starting-primary-school-and-junior-school>

Have a wonderful weekend everyone!

Thanks,  
Miss Tordoff  
Head of School

Primary School**

**Terrington Church of  
England VA Primary School**

## Wow Class work

### EYFS and Year 1 & 2 – Miss Allwood

Year 1 have been busy exploring place value in maths, working with numbers to understand tens and ones. They've been using practical resources to help build confidence and make learning hands-on and fun.

Year 2 have been learning all about money and have loved putting their skills into practice by playing shops. They've been recognising coins, making amounts, and taking turns as customers and shopkeepers.

In Nursery and Reception, the children have been developing their number skills through play and practical activities. They've also enjoyed exploring the ice outside, talking about what they noticed as it melted and changed, and linking this to early maths and understanding the world.

### Y3,4,5,6 – Miss Jackson

It has been lovely to welcome all the children back into class this week, after what sounds like an amazing Christmas Break. The children have settled back into school and routines well and are excited by our new topic for this half term which is Ancient Greece. In English, we have started a new text that we are now exploring, and in maths we are carrying on from where we left off in December. Y3's are finishing their addition and subtraction work, Y4's are finishing their times table work, Y5 and 6 are continuing their work on fractions.

We have been starting our foundation subjects as well this week, the children have really enjoyed using instruments and body percussion to make different kinds of music and working together to do so. We have also started our new Science topic which is Electricity this half term, and the children have been looking at the different parts of a circuit and creating a simple circuit.

### Vacancy

We are looking for a Kitchen Assistant to serve school meals and carry out cleaning tasks at Foston Primary School. This role is working term-time only, from 11.30am - 1.30pm.

If you think this could be a role for you or you know of anyone who may be interested then please click on this link - [Kitchen Assistant](#).

If you have any queries or would like to visit, please contact the school on 01653 618265 and leave your details, someone will get back to you

## **What should I do if I am worried about a child?**

How to report your safety concerns

If you believe that a child is immediate danger from significant harm, dial 999 to report it to the Police.

How do I make a referral?

Referrals can be made via the universal referral form or following an Early Help Assessment. Both can be located on North Yorkshire Safeguarding

Children Partnership website:

<https://www.safeguardingchildren.co.uk/professionals/forms-and-tools/>

Urgent referrals can be made via telephone to the Customer Resolution Centre on 0300 131 2 131.

or alternatively call the NSPCC Helpline: 0808 800 5000 or email: [help@NSPCC.org.uk](mailto:help@NSPCC.org.uk)
